ANNUAL SPORTS

The ANNUAL SPORTS MEET of the academic year 2019-20 was held on 13 December 2019. The inauguration of this day was done by the Correspondent Mr. Amanullah Khan and the Team Leaders of AWC & AWPUC by releasing balloons.

After the inauguration ceremony, In those few moments, as the balloons rose towards the sky, the sports participants realized in their hearts what these balloons symbolized and it did not matter to them where the balloons would go; for, they individually reach for the sky in their efforts.

A bird sitting on a tree is never afraid of the branch breaking because her trust is not on the branch but on its own wings.

THE EDUCATIONAL TRIP

Travel is education

Seeing the world provides an education that's absolutely impossible to get in colleges. Travel teaches you economics, politics, history, geography, and sociology in an intense, hands-on way no classes will. Fortunately, the college of travel is always taking applications, no entrance exam required

Prophet Muhammad [PBUH] said,
"sadaqah wipes out sins like water extinguishes fire"

-[TIRMIDHI]

Educational trip exposes students to different lifestyles, places, people and era. When on educational trip students broaden their understanding of every aspect of the place and its people. Students gain rich experiences, which allow teachers to expand the topic which is not possible during the normal classes.

Our college students visited Madikeri on 07/12/2019. The places covered are Abhi Falls, Raja seat, Kaveri Nisargadhama, Golden Temple.

The students also visited the mentally retarded old age home "THANAL" at Madikeri.
